

# \*Flyering\* aka friendly hand-to-hand combat using printed info!

Hello!

Thanks for ticking **"people person (handing out flyers, stalls etc)"** on your LOCAL volunteer registration form (or otherwise letting us know you'd like to engage in flyering)!

We realise that a lot of you have already been using the calendar to book yourself into events and have been flyering the Shire like troopers - but if you haven't jumped in yet, or even if you have, here's some info -

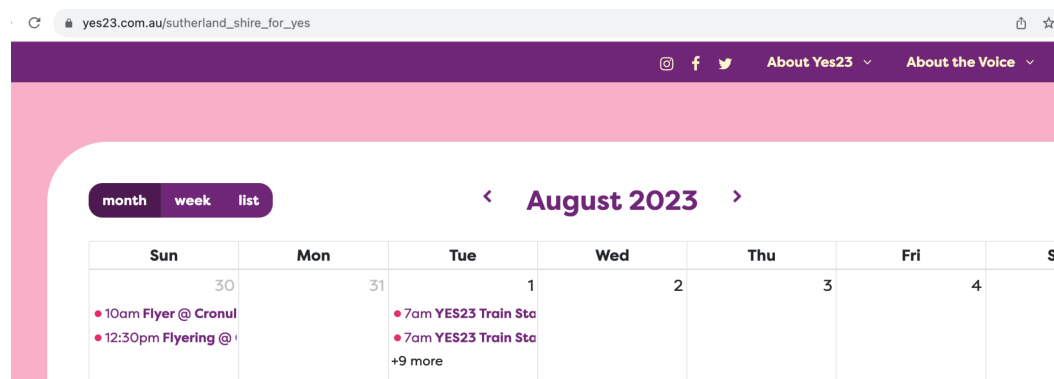

## ::: ? How do I find and RSVP to a flyering event/action?

**FIND** scheduled campaign actions and events on the [local Sutherland Shire calendar](#)

Actions and events like flyering are regularly being added to this calendar so keep checking back. Simply find an event/action that suits and click RSVP to join an event or action that suits you!

*(FYI, this sits on the national Yes23 website - just so you don't feel disoriented!)*

**🔥 TIP** - when viewing the calendar - you can adjust your view by clicking either "month", "week" or "list" in the top left corner. (see image below).

## ::: ? Who can help me out if I have questions?

**Eric H** will be organising logistics for flyering events (checking in on RSVPs, getting collateral (flyers) to locations and being there to help answer your questions. 😊

If you need any extra help or have questions, you can **email Eric at [flyertheshire@gmail.com](mailto:flyertheshire@gmail.com)** (don't forget that to find and RSVP to events, you should visit the calendar)

### ::: ? **What if I don't regularly use a computer? How do I RSVP?**

See above, Eric will work with you to make arrangements so that you can RSVP in a different way.

### ::: ? **I haven't flyered before - what do I need to do?**

Flyering is lots of fun! Depending on the location it can be fast paced and involve smiling, saying hello and basically just trying to get someone to take a flyer (train stations tend to be like that) OR it can be a little more relaxed and involve a question or two and a longer chat.

Regardless, you will be with other volunteers who have flyered before and can help orient you. Never ever be afraid to say you're not sure of an answer - no-one expects you to know everything! You can always refer them to another volunteer or an information site like [yes23.com.au](http://yes23.com.au).

**What should I wear?** - it's just YES! Free white campaign t-shirts are available to all volunteers (let Eric know if you need one). Other campaign shirts are fine too. If you do need to order anything, see below.

**ORDER the Yes23 merch [here](#) (we deliver for FREE).**

(other merch includes t-shirts, badges, stickers, bumper stickers, The Voice to Parliament Handbook etc)

(Of course all profits go to the completely volunteer run local Sutherland Shire campaign)

### ::: ? **Are there any do's and dont's**

Flyering leads will help you with this but generally - keep positive, and keep politics out of it.

Our campaign is inclusive and unifying. We want anyone who wants to support a Voice to Parliament feel welcome - no matter what their politics. Same goes for our interactions with the public. When we are out and about campaigning, people are observing us - let's leave a universally positive impression and give them every reason to vote YES!

(Basically, don't play into the hands of the NO campaign - this is above politics and by leaving it out, we leave the option open for people to act on good information and their own conscience.)

::: ? I have feedback on my flyering experience - who can I share it with?

**Eric H** will be happy to hear all of your feedback. So much useful information comes from volunteers sharing their experiences. Please let any lead volunteers at the flyering event know but also feel free to write to Eric directly at [flyertheshire@gmail.com](mailto:flyertheshire@gmail.com).

This will be shared with the broader team to help us plan future events.

Alternatively, you can share your feedback via our [Anonymous Feedback Form](#)

**PHOTOS:** If you have photos that you are happy for us to share on socials, please send to [yes23sutherlandshire@gmail.com](mailto:yes23sutherlandshire@gmail.com)

That's it! 😊 Good luck and happy flyering!

And remember, it's all about good information, a t-shirt and a big smile.

Many thanks,
